**Important, please read**

Details about road works

Dear Sir/Madam

**Work to repair the A1 between George Town and Sandy**

We are working on behalf of Highways England to repair the road surface of the A1 near you. This work will repair the southbound road between the George Town cottages junction and Sandy roundabout.

Subject to weather conditions, we plan to complete this work overnight **between Monday 13 March and Wednesday 22 March, working between 20:00 and 06:00** on weeknights only. We apologise for any delays this may create for your residents, parishioners and staff.

To keep road users at a safe distance from the works, we will close the A1 southbound between Black Cat roundabout and Sandy roundabout while we are working. There will be a clearly signed diversion route in place, whereby drivers will be diverted from the A1 southbound at Black Cat roundabout to :

- take the A421 westbound toward Bedford to the junction with the A603, then;
- head eastbound along the A603, then;
- re-join the A1 at Sandy roundabout.

We have written to local businesses affected by the works and we would be grateful if you would publicise the works to your parishioners through newsletters and other communications where appropriate. We would advise drivers to allow extra time to complete their journey. We will do our utmost to complete the works as quickly as possible, avoiding disturbance and keeping noise to a minimum.

To stay informed about all the latest major roadworks happening near you, visit [www.gov.uk/government/organisations/highways-england](http://www.gov.uk/government/organisations/highways-england) to register for the latest alerts. If you have any enquiries please contact the Highways England Customer Contact Centre on 0300 123 5000, or by e-mail to [info@highwaysengland.co.uk](mailto:info@highwaysengland.co.uk).

Yours Faithfully,

Chris Bould,  
Construction Manager,  
For and on behalf of Highways England
