Details about road works

Dear Sir/Madam

**Work to repair the A1 between Sandy and George Town**

We are working on behalf of Highways England to repair the road surface of the A1 near you. This work will repair the northbound road between the Sandy roundabout and the George Town cottages junction.

Subject to weather conditions, we plan to complete this work overnight **between Monday 21 November and Saturday 3 December, working between 20:00 and 06:00** on weeknights only. We apologise for any delays this may create for your residents, parishioners and staff.

To keep road users at a safe distance from the works, we will close the A1 northbound between Sandy roundabout and the George Town cottages junction while we are working. There will be a clearly signed diversion route in place, whereby drivers will be diverted to:

- Take the A603 towards westbound towards Bedford, then;
- the A421 westbound, and finally;
- re-join the A1 at the Black Cat roundabout.

Local traffic at the George Town cottages junction will be diverted to take the B1042 St Neots Road south through Sandy and then west to the Sandy roundabout.

We have written to local businesses affected by the works and we would be grateful if you would publicise the works to your parishioners through newsletters and other communications where appropriate. We would advise drivers to allow extra time to complete their journey. We will do our utmost to complete the works as quickly as possible, avoiding disturbance and keeping noise to a minimum.

To stay informed about all the latest major roadworks happening near you, visit [www.gov.uk/government/organisations/highways-england](http://www.gov.uk/government/organisations/highways-england) to register for the latest alerts. If you have any enquiries please contact the Highways England Customer Contact Centre on 0300 123 5000, or by e-mail to [info@highwaysengland.co.uk](mailto:info@highwaysengland.co.uk).

Yours Faithfully,

Ben Russell,  
Construction Manager,  
For and on behalf of Highways England
