

SANDY TOWN COUNCIL

Freedom of Information Policy

Under the Freedom of Information Act 2000 there is a duty on public authorities generally to provide information to members of the public on request. This requirement is additional to any other statutory right to obtain information which members of the public or electors have.

Sandy Town Council will comply with the provisions of the Data Protection Act 2000, (and its successors) and the principles contained therein.

These include:

- A general right of access to information held by public authorities subject to certain conditions and exemptions.
- A requirement for public authorities to consider the exercise of any discretion which they may have to disclose information.
- A duty on every public authority to adopt and maintain a scheme which relates to the publication of information by the authority and is approved by the Information Commissioner and to publish information in accordance with the scheme.

To satisfy the requirements of Information Commissioner arising from the Freedom of Information Act 2000, Sandy Town Council has formally adopted a Model Publication Scheme in accordance with the advice of the National Association of Local Councils. This is explained in detail in the Town Council's Model Publication Scheme.

Information available from Sandy Town Council under the model publication scheme

To satisfy the requirements of Information Commissioner arising from the Freedom of Information Act 2000, Sandy Town Council has formally adopted a Model Publication Scheme in accordance with the advice of the National Association of Local Councils.

The purpose of the Freedom of Information Act 2000 is to ensure that information published directly by public bodies such as Sandy Town Council is made readily available to the public, either free of charge or on payment.

The information maintained by Sandy Town Council comprises of both mandatory documents and optional documents. The classes of information are identified within the table below.

Information is available for inspection at the Sandy Town Council Offices, 10 Cambridge Road, Sandy, SG19 1JE (excluding Bank Holidays) from 9 am to 4 pm, Monday and Wednesday and 9am to 2pm on Friday. As the Town Council only employs a small number of staff, prior notification of an information request will be of assistance in arranging for an officer to be available to provide assistance and ensure that lengthy documents and copies can be made available. Photocopies of such documents are available on payment of the appropriate fee, plus postage if applicable.

The Town Council provides agendas for the Town Councillors to receive information and to make decisions. The agenda is discussed in public and any papers referred to in the minutes or relating to agenda items are also available to persons requesting information.

However, items considered under the confidential aspect of an agenda are considered at meetings once the public have been excluded as they are considered confidential and are not therefore available under the Freedom of Information Act 2000. These items will be items subject to Data Protection Act 1998, such as sensitive data, and data that involves a commercially sensitive issue, and such data will not be available to persons requesting information.

The agenda, supporting documents and public minutes are available on the Sandy Town Council's website.
