#### **Sandy Town Council**

Date: 26<sup>th</sup> June 2023

Title: Year End Accounts Process

Contact Officer: Town Clerk

#### **Purpose of the Report**

1. To receive and note a brief outline of the year-end accounts process. This report is provided for information only.

#### Recommendation

2. This report is provided for information only.

#### **Background**

3. This report is provided to advise Members of the year end accounting processes.

There are 3 elements to the Council's accounts:

- 1. Day to day accounts information
- 2. Year-end close down
- 3. Preparation of Annual Governance & Accountability Return

This report provides guidance on the above elements.

#### **Day to Day Accounts**

4. The administration of the Council's invoicing, purchasing and payments is undertaken by the Administration Team Leader, with oversight and overall responsibility by the Town Clerk. DCK Beavers, the Council's accountant, provide support. The Council's accountant carries out monthly end accounting, management/administration of the accounts system and monthly reporting. Analysis of monthly expenditure is provided by the Town Clerk to the finance committee.

#### Year End Close Down

The RFO specifies a date for the year and close down to DCK Beavers for mid-May. This is to enable
March invoices to be received and processed and for journals of corrections, adjustments, accruals, and
prepayments to be completed.

DCK Beavers then undertake the following:

- 1. Check prepayment, accrual, and adjustments journals
- 2. Complete any outstanding journals over which there was a query
- 3. Make recommendations as appropriate to RFO & Accounts Officer
- 4. Check the proposed EMR transfers, make necessary amendments and input the appropriate journal entries
- 5. Print journal report for HRTC officer to check
- 6. Close down for the month of March and complete back-up
- 7. Close the year and complete year end back-up.
- 8. Open new live company for the subsequent year's accounts.

AGENDA ITEM: 7 APPENDIX I

#### Preparation of the Annual Governance & Accountability Return

- 6. The Annual Governance & Accountability Return comprises:
  - Completion of the Annual Governance & Accountability Return form;
  - Bank Reconciliation Statement for year-end;
  - Explanation of Differences to figures contained within the Annual Return form;
  - Reconciliation of Boxes 7 & 8 of the Annual Return form;
  - Statement of Accounts for the Year:
  - Completion of Intermediate Audit Questionnaire supported by evidence specified by the external auditors.
- 7. DCK Beavers assist in the completion of the Annual Return. In preparation they require a Questionnaire to be completed in January which provides them with information on the Council's pension scheme, recruitment, advertising, publicity, asset purchases and disposals to date, leases and tenancies, and agency work. This information is provided to assist with the preparation of the Notes to the Statement of Accounts.
- 8. In addition, the RFO specifies a date for the completion of the Statement of Accounts to DCK Beavers for early June dependent on the date of the Town Council meeting.
- 9. DCK Beavers provide a draft of Section 2 Statement of Accounts Notes to the Accounts by the date specified. Officers check information provided.
- 10. DCK Beavers do not prepare the following for submission with the Annual Return:
  - Bank Reconciliation Statement for year-end;
  - Explanation of Differences to figures contained within the Annual Return form;
  - Reconciliation of Boxes 7 & 8 of the Annual Return form;
  - Completion of Intermediate Audit Questionnaire with evidence required

These are completed by the RFO.

Introduction	1
Summary of Work Completed	1
Results	3
Conclusions	4

#### Introduction

The final internal audit was carried out on the 17<sup>th</sup> May 2023. The audit was conducted at the offices of the Council.

# **Summary of Work Completed**

The work completed is identified in the following table below:

AREA OF WORK	WORK COMPLETED
Bank and Cash Reconciliations	Bank reconciliations were reviewed and agreed each month to ensure that controls were working effectively throughout the period.
	b) The reconciliation for the period to 31/03/2023 was verified to the accounting data as entered to Rialtas software.
	c) Cash reconciliations were reviewed to the period up to 31/03/2023
VAT Returns	a) VAT returns for the year were reviewed and the debtor as at 31/03/2023 was verified to the trial balance as at that date.
Substantive Income and Expenditure Testing	a) A sample of income and expenditure was confirmed to supporting documentation. Receipts and payments were confirmed to the bank statements respectively.
	b) Internal authorisation procedures were checked for the council's expenditure for the period under review.
Risk Assessments	a) The council's risk assessments were reviewed to ensure that due consideration has been given to identify the key and significant risks.
	c) To ensure that sufficient safeguards and controls are in place to mitigate identified risks.
Fixed Asset Register	The fixed asset register was reviewed to ensure that assets owned by the council are correctly recorded.
Minutes of Meetings	The minutes of meetings since the last internal audit were reviewed and any relevant information was noted.

Review of Trial Balance	a)	The trial balance was reviewed for reasonableness
	b)	The trial balance was confirmed to the accounts and annual return respectively to ensure financial results agree to source material.
Insurance	a)	A review of insurance policies was conducted to ensure that sufficient cover is in place and is reasonable.
Payroll	a)	Payroll was verified to the annual return and calculations for PAYE, National Insurance and Pension contributions were checked.
PWLB Loans		<ul> <li>a) PWLB balance was agreed to the annual return and supporting loan statement</li> </ul>

#### Results

The work completed is identified in the following table below:

AREA OF WORK	OBSERVATIONS/POINTS
Bank and cash Reconciliations	Bank and reconciliations were reviewed and confirmed to be done on a monthly basis with due care and attention. Bank balances were confirmed to statements as at 31 March 2023.
VAT Returns	The balance as at 31/03/2023 was reconciled to the financial statements. No further observations were made.
Substantive Income and Expenditure Testing	No issues were identified with income and expenditure testing. A sample of transactions were reviewed to supporting evidence and checked to ensure payments cleared the bank and receipts received.  Authorisation procedures were confirmed to be working effectively.
	Accounting entries were correctly recorded and posted to the correct nominal code.
Risk Assessments	The Council's risk assessments were confirmed to be reasonable and safeguards are considered to be appropriate and reasonably implemented.
Fixed Asset Register	The fixed asset register looks to be maintained with assets owned by the Council.
Minutes of Meetings	Minutes were reviewed and no pertinent issues were identified for the period under review.
Insurance	Documentation was reviewed and is expected to be sufficient to cover the requirements of the Council.
Other Observations	We were informed that cash was stolen during the financial year. Please ensure that sufficient safeguards are implemented to mitigate risk. For example, having a checking system in place to confirm the value held at the start and end of the day. Also, ensure that updates are made to the financial regulations for any new changes.

#### Conclusion

In our opinion the Council is keeping their books and records in order and is following internal control procedures that have been established.

#### 31 March 2023

#### **Auditors**

The name and address of the External Auditors is provided for information only.

These Statements are not subject to audit and the External Auditors have no responsibility for them.

#### **Accounting Convention**

The accounts have been prepared in accordance with the Accounting Guidance Notes for Local Councils (the Guide) issued by The Chartered Institute of Public Finance and Accountancy (CIPFA) as applicable to a medium sized council.

These accounts have been prepared having regard to the fundamental accounting concepts of: Going Concern, Prudence, Accruals, Relevance, Consistency, Reliability, Comparability, Understandability and Materiality.

The accounts have been prepared under the historical cost convention.

#### **Fixed Assets**

All expenditure on the acquisition, creation or enhancement of fixed assets is reported in the notes to the accounts, provided that the fixed asset yields benefits to the authority and the services it provides for a period of more than one year. Fixed assets are valued on the basis recommended by CIPFA. The year end values are stated on the following basis:

land, operational properties and other operational assets are reported in notes to the accounts cost (where known) or at insurance values current when first reported as approximating to the lower of net replacement cost and net realisable value at that time (previous years at current insurance values).

all other assets are included at historical cost except that certain community assets are the subject of restrictive covenants as to their use and/or future disposal. Such assets are therefore considered to have no appreciable realisable value and are included at a nominal value only.

#### Revenue Grants

Revenue grants are credited to income when conditions attached thereto have been fulfilled and/or equivalent expenditure has been incurred. Grants received in respect of which the conditions have not been fulfilled, or expenditure incurred, are carried forward as deferred revenue grants.

#### **Debtors and Creditors**

The council reviews the level of its commercial debtors on a regular basis and provisions are made, as required, where the likelihood of amounts proving ultimately collectable is in doubt.

#### Value Added Tax

Income and Expenditure excludes any amounts related to VAT, as all VAT suffered/collected is recoverable from or payable to HM Revenue and Customs. Any amounts not so recoverable are treated as a separate expense.

#### **External Loan Repayments**

The council is not required by the Guide to incorporate external borrowings in its Balance Sheet. Details are shown at note 12.

#### Statement of Accounting Policies

#### 31 March 2023

#### Leases

The council is not required by the Guide to incorporate Hire Purchase and/or Finance Lease obligations in its Balance Sheet. Details are shown at note 11.

#### Reserves

The council maintains certain reserves to meet general and specific future expenditure. The purpose of the council's reserves is explained in note 13.

#### **Interest Income**

All interest receipts are credited initially to general funds.

#### **Pensions**

The pension costs that are charged against precept in the council's accounts, in respect of its employees, are equal to the contributions paid to the funded pension scheme for those employees.

These contributions are determined by the fund's actuary on a triennial basis and are set to meet 100% of the liabilities of the pension fund, in accordance with relevant government regulations.

The next actuarial valuation is due at 31st March 2025 and any change in contribution rates as a result of that valuation will take effect from 1st April 2026.

Title: Defibrillator Offer by Resident

Author: Cllr Nigel Aldis/Town Clerk

#### **Purpose of the Report**

To provide Members with information about an offer from a resident to fund a defibrillator in the Town.

#### Recommendation

- 1.1To note the report.
- 1.2To accept the offer from a resident to pay for the cost of a defibrillator for the Berwick Way area of Sandy, the installation charge and running costs.
- 1.3To make provision in the 2024-2025 budget process for the provision of a machine at the Town Council offices and an additional piece of kit to be available at events where there is no on-site provision of a defoliator.
- 1.4 To encourage members and residents to undertake training in the use of the equipment.

## Background/Information

2.0 Since they were first available the Council has encouraged the installation of defibrillator at key parts of the Town. The library wall in the town centre, the Bedford Road pavilion and the Jenkins all have one installed. One is also at the ticket office door at the railway station.

#### **Proposal**

- 3.0 A Berwick Way area resident has offered to pay for a defibrillator to be installed in an appropriate place near to where he lives. He would pay all costs for purchase, installation and electricity costs which are minimal.
- 3.1 The electricity costs to provide power to a heated cabinet will depend upon cabinet style. Metal cabinets are around £30-£75 per year. Polyethylene/polycarbonate cabinets around £5 per year and are recommended as they have better insulation properties.
- 3.2 The resident has proposed/agreed for the equipment to be installed where he lives, however it is thought it would be better to place the equipment on an STC owned property such as the Scout Hut to reduce potential problems in the future; e.g. if the current resident moved.
- 3.3 A clear location is important so that its presence is known to local people who may need to use it in an emergency. All sites must have internationally recognised signage in compliance with Health and Safety Signage regulations. Many companies supply ILCOR signage kits with every project.
- 3.4 The defibrillator be insured as a Town Council Asset.
- 3.5 There are a number of models and companies offering CPADs (Community Public Access Defibrillators). It is suggested that the machine and cabinet are sourced through the Community

Heartbeat Trust, who have supplied our current machines, and offer a comprehensive monitoring service through the WebNos Governance system. A representative from CHT has offered to meet on site to agree our needs.

#### **Financial Implications**

- 4.4 The cost of the defibrillator and cabinet will be covered by the resident, other costs to consider include power to the cabinet and installation by an electrician, as well as ongoing costs for replacement pads/batteries etc. Cost for the defibrillator and cabinet as supplied by **CHT** to follow.
- 4.5 FYI each additional unit will cost in the region of £1,500 and an extra £ 589 plus VAT for a cabinet (costs taken from the British Heart Foundation).

Title: Council Insurance Policy

Contact Officer: Town Clerk

#### **Purpose of the Report**

1. To receive an update on the Council's insurance renewal and change of Insurance provider for the forthcoming year.

#### Recommendation

- 2. That the Council agree to the brokers recommendation to continue with our current insurers Aviva Insurance Limited who carry the A+ rating.
- 2.1 To consider undertaking a 3 year term on the insurance.

#### **Background**

- 3. The Council uses James Hallam Council Guard to source its insurance cover. James Hallam Council Guard is an independent council insurance broker which acts for Councils across the country. They tender and broker for an agreement with an insurer for all the Councils they represent. James Hallam Council Guard carry out administration related to the insurance policy and any updates, claims or insurance advice. They act as the Council's point of contact on insurance matters and ensure the Council is adequately covered.
- 3.1 The Clerk met with Stephen Packer to discuss the renewal and he stated that for many Councils insurance was increasing significantly, he felt that this renewal quote from Aviva was a very good deal.
- 3.2 James Hallam Council Guard states: "Following a review of your requirements and based upon our knowledge of insurance markets we have not sought alternatives and have only considered your current insurer."

#### **Financial Implications**

4. The Council has a budget of £19,000 plus £3,000 for fleet cover. The new policy's total premiums come to £18,364.21 including fleet cover.

#### **Policy Implications**

5. The Council's adopted Council Risk Assessment sets out the Council responsibility to ensure it has sufficient insurance in place to cover all its activities, assets and risks. The Council's risk assessment and audit documents will need to be amended to correctly reflect a changed insurance provider and the relevant cover.

#### **Legal Powers**

6. The action undertaken is covered by the Localism Act 2011, s.1 the General Power of Competence, for which Sandy Town Council is eligible and is a power of first resort, allowing the Council to do anything an individual can do.

Title: Christmas Lights Switch On Event

Contact Officer: Deputy Clerk

#### **Purpose of the Report**

1. To consider a report from the Events Working Group/ Community Services and Environment Committee on the possibility of the Town Council staging the Christmas Lights Switch On Event 2023.

#### Recommendation

- 2.0 Given the cross over of tasks and the continuity we have on Council with Cllrs Sharman and R Lock together with a potentially extended Events Working Group including former FSCL volunteers it is recommended that the Council take on the task of Sandy Christmas Lights in house for 2023 whilst actively looking for new community volunteers for support.
- 2.1 If the Council was to hold the event the Council would have to provide a budget that would cover all the costs required.

#### **Background**

- 3. The Council has for a number of years supported Friends of Sandy Christmas Lights Switch On event in organizing this popular event.
- 3.1 The Council has learnt this year that the FSCL will not be holding the event this year, following the resignation of its key members.
- 3.2 In the past there has been considerable crossover between the Office and the FSCL group in setting up the event. See below;

#### **Financial Implications**

- 4. The Council has a budget of £4,000 for the event. This was identified as the sum required to purchase the following:
  - Christmas Tree
  - PA and Stage
  - Road Closure
  - Printing of publicity materials and signs.
  - 4.1 With the requirement to now fund the entre event, the Council is advised a sum of £8,000 has been identified and is held by the former Friends. This would be transferred to a designated reserve to cover Christmas Lights Event costs.

#### **Legal Powers**

5. The action undertaken is covered by the Localism Act 2011, s.1 the General Power of Competence, for which Sandy Town Council is eligible and is a power of first resort, allowing the Council to do anything an individual can do.

#### Clerk's Report

The following data has been collated in order to demonstrate the work that the admin office has undertaken over the past six months, the team's focus and priorities.

#### Staffing levels

It is fantastic that we now have a full team in place. The Deputy Clerk and Community Engagement Officer have now passed their six-month probationary periods and our Civic Officer has now been with us for two months. In February our Admin Team Leader returned to work, on reduced hours, following a 6-month absence due to an operation. On the 9<sup>th</sup> May the Admin team leader underwent a further operation resulting in a further 4-week absence. I am pleased to report that she is now back in the office and continues working reduced hours of 29 hours a week, which will be reviewed at the end of the June. While we are benefitting from having more resource in the office, there is a substantial amount of catch-up taking place and of course the new staff are still bedding in, so are not quite up to speed with all procedures and projects.

We hired Philip Truppin on a part-time basis (3 days a week) in March which reduced to 1 day a week in April. This helped us move forward with some of the legal and financial enquires we had as we came to the Financial end of year. This also helped with some of the financial admin backlog. During the Admin Team Leader's absence her work had fallen to me and I had struggled to keep afloat both hers and my own roles.

Largely the past six months have seen the team focus on the essential requirements to keep the council functioning and we are aware there are several actions that have not yet been taken forward. This is not due to lack of effort but due to having to prioritise the workload to enable the office day-to-day functions to continue.

#### **General enquiries**

The following data shows the amount and type of queries that the admin team has dealt with over this period, to give you a perspective on what draws on our time.

Across the 6 months leading up to the 20<sup>th</sup> June 2023 the administrative team dealt with:

650 telephone enquiries

- 1,090 email enquiries (from the admin email?)
- 33 telephone answerphone messages
- 83 enquiries through the website
- 314 enquiries from visitors to the office.

This averages as 361 enquiries a month or 18 enquiries a day.

These figures do not include separate email enquiries that team members received direct to their email addresses.

From 3<sup>rd</sup> January 2023 to 31<sup>st</sup> January 2023 I independently received 485 emails through my Clerk's email address. 14% of these were made up of newsletters, partnership comms and general sales and offers. The remaining 86% all related to Sandy Town Council business.

On average this works out at 19 emails a day regarding Council business through the Clerk's email alone.

#### **Meeting administration**

Over the past 6 months the Clerk and Deputy Clerk have created:

22 Agendas

128 Reports

22 sets of Minutes.

#### Cemetery

- 1. We managed 23 interments and 19 Memorial applications.
- 2. Applied for and installed new signs to show Commonwealth War Graves.

#### **Events**

The team organised and run the Spring Market in April and Big Lunch Coronation Event in May. As well as contacting stall holders and booking entertainment for these events full Health & Safety assessments had to be undertaken, road closures applied for, publicity written and created and the events themselves attended.

We are now working on the organisation of the following events, preparation for which starts now:

- SkateJam anniversary
- Autumn Market
- Remembrance Sunday Parade
- Christmas Lights Switch on.

#### **Community Engagement**

- 1. We sent out 19 Press Releases
- 2. Posted 35 stories on the Council website
- 3. Posted 105 times through social media
- 4. Created 18 posters to publicise Council events and activities.
- 5. We also organised a radio interview with the Mayor to discuss co-option on Biggles FM.
- 6. High Street banners were installed in time to celebrate the Coronation and for the Summer are now depicting general information about Sandy. These will be changed again for Remembrance Tide.
- 7. Published our first seasonal newsletter

#### **Financial Administration**

We have undertaken the year end accounts with accounting partners DCK, including undertaking an internal audit.

I have just completed the Annual Governance & Accountability Return (due to be submitted before 30<sup>th</sup> June), which as well as the requisite reports includes full details on financial spends, where the variance from last year is more than 15%, as well as evidence to show the Council has fulfilled its legal obligations to looking after its finances as well as proper reporting across the year.

S106 funds have been applied for to pay towards various enhancements across our open spaces and recreation parks as identified by the Town Council.

#### **Building Maintenance**

There have been several issues regarding the maintenance of the office building and estate including:

- Replacement of radiator valves
- Plumbing works in the public toilets
- Dealing with vandalism at the public toilets and skatepark
- Replacement light fittings
- Installation of a cash safe
- Replacement of locks for Council office gates
- Installed a new notice board in the market square
- Benches have been purchased and await installation.

#### **Projects**

The team is focusing on the following key projects which are taking priority.

#### Cemetery Extension Project

- 1. Installation of boundary fence complete although some issues have arisen around this.
- 2. Survey of council land around neighbours cesspit and soakaway has been booked.
- 3. The outdoor team have had instructions to procure a slab to replace the broken one on top of the cess pit owned by the Council's neighbours on Potton Road.
- 4. AOC and CBC Planning have been contacted asked to provide an update on the archaeological finds and planning report.
- 5. Solicitors have been contacted regarding the transfer of land adjacent to Holly Lodge.

#### Jenkins Pavilion Development

- 1. Ongoing correspondence between STC and CBC to organise permissions for utilities and contractors to undertake construction on the development.
- 2. Liaising with Solicitors to ensure that all agreements and permissions work within the Town Council's jurisdiction.

- 3. Working with Solicitors to provide information for building lease.
- 4. Replying to daily queries from the project team.

#### Allotments Land at Beeston (Village Site)

- 1. Liaising with solicitors regarding the terms of the lease.
- 2. Engaging with the National Allotment Society to understand the best way to plan and map out allotment gardens
- 3. Organising a survey for the land to understand any issues with its suitability for growing.

#### **Allotment Land**

1. Engaging with third parties to try and identify suitable land for lease.

#### Welcome Signs

- 1. Signs have been fabricated.
- 2. Currently liaising with Cadent to ensure the sites agreed are suitable and do not cross any gas pipes etc.

#### Town Centre Signs and Maps

1. Organising a meeting with the main stakeholders to pick this project up. CS&E have asked for an update in September.

#### Sandye Place

1. Initial meeting with new Ward Councillors has taken place.

#### Land Registry

1. Solicitors have been instructed to continue with work on registering a number of areas of land to Town Council ownership, including Taylor Wimpey Land by Berwick Way.

#### Actions from meetings

We are tracking the progress of actions that come from meetings in a spreadsheet, these actions are spread across the team. Currently we have 15 actions in progress and 19 that are waiting to get started. This list grows on a weekly basis.

AGENDA ITEM: 23 APPENDIX XII

#### **Town Council**

Date: 26<sup>th</sup> June 2023

Title: Vehicle Equipment Repair Costs (Flatbed Van)

Contact Officer: Town Clerk

#### **Purpose of the Report**

1. To provide Members with details regarding repairs required to the Council's Flatbed Diesel Vans' which are likely to exceed the Clerk's delegated expenditure.

#### Recommendation

- 2.0 To consider quotes for the repairs and agree the best option or
- 2.1 To consider the future of both diesel vehicles and what options they would like explored in terms of replacement.

#### **Background**

3.0 The Flatbeds on both diesel vehicles have disintegrated, one is now unsafe for use and the other is in urgent need of repair before it also becomes too dangerous to use.

#### **Proposals/Information**

- 4.0 Two quotes have been received:
  - Company A quoted on one vehicle at a cost of £4,614.33 + VAT for the following repairs;
    - A GEN x 8 @ £125.00 (labour)
    - o M TPZ465-YSG21-02 N/Stock Cabin Protec @ £953.46 (parts)
    - M TPZ465-YSG21-01 N/Stock Flat Bed FLO @ £2660.87 (parts)
  - Company B Quoted £4,040 + VAT per vehicle if both repaired or £4,260 + VAT for just one repair
    - o Remove factory bodies and environmentally dispose. £240.00 each
    - Construction and Fit New Drop Side body. Body Dimensions: 3200mm OAL.
       3070mm IDL. 2000mm OAW. 2030mm IDW.
       Body Construction:
    - Dody Contraction:
    - Subframe: 150mm alloy channel runners, 100x50 alloy cross bearers.
    - Headboard: Cab high alloy, 75x50x6 angle centre uprights and top rail. Radiused outer corner pillars, corrugated plank lower panels, steel 25x25x3 mesh infill to top, galvanised after manufacture.
    - o Side Raves: V groove alloy.
    - Floor: 18mm phenolic mesh floor sheets.
    - o Rear Corner Pillars: Removable radiused alloy.
    - Drop Sides/Tailboard: 400mm alloy hollow plank with recessed over centre catches.
    - Load Restraint: 4-pairs of integral lashing links to V groove side rave. Sheet hooks to underside.

AGENDA ITEM: 23 APPENDIX XII

- Wings: Plastic wheel arches.
- o Access Step: Fit heavy-duty fold down access step to inside N/S of tailboard
- o Body Finish: Mill finish alloy.

#### **Financial Implications**

5. The costs for repairs would come out of the Council's revenue budget for works equipment/vehicle maintenance. The budget is £5,000.00. Any costs over and above this would need to come from the Rolling Capital Fund.

#### **Policy Implications**

6. Ensuring the Council's equipment is well maintained, efficient and effectively helps the Council fulfil its service requirements. Providing the outdoor team with the tools needed to carry out their role is critical to the Council meeting its responsibilities. Repairs to the machinery help the Council meet objectives set out in its recreational spaces plan.

#### **Legal Powers**

7. The action undertaken is covered by the Localism Act 2011, s.1 the General Power of Competence, for which Sandy Town Council is eligible and is a power of first resort, allowing the Council to do anything an individual can do.
