

NEWS RELEASE

FROM

SANDY TOWN COUNCIL

03.01.19 for immediate release

Sandy Town Council has received notification from Central Bedfordshire Council that repairs to Sandcast Footpath (Bridleway 8) in Sandy will commence on Monday 14th January 2019 and will take 5 days to complete. They will overlay from the good surface on the slope at the Mill Lane end to the good surface at the slope leading up to the Ivel Road bridge. There will be no alternative route and the footpath will therefore be closed for all of those 5 days.

If members of the public have any further queries regarding the footpath closure or repairs, they should contact Central Bedfordshire Council directly at: customers@centralbedfordshire.gov.uk or visit their website: www.centralbedfordshire.gov.uk, or telephone 0300 300 8301.
