

Pride of Place Day

on **Saturday, 6 November**
at Winchester Road, Sandy

great
communities

How we're creating a safer, greener, and cleaner local neighbourhood:

- Together we've added additional parking by demolishing garages and removing planters
- Together we will replace displaced trees and enhance current planting

Join in during the morning:

- We'll be doing an estate tidy up. Further flyer to follow.
- Those that volunteered to host a swift bird box will be able to have their boxes fitted in the morning by Grand Union Housing Group (GUHG)

Drop in for a cuppa at Jenkins Pavillion 1-3pm:

- Meet your local councillors, fire, police and GUHG colleagues
- Give us your views on the estate improvements
- Find out about the Town Councils proposal for a skatepark
- Join in a community litter pick
- View progress on the Neighbourhood Plan
- Find out about volunteering and wellbeing

If you want to showcase your local business on the day, or have any further questions, contact your local councillors:
