

NEWS RELEASE

FROM

SANDY TOWN COUNCIL

29.06.16 for immediate release

The Future of Sandy, what's your view?

In developing its Local Plan Central Bedfordshire Council has released the results of a recent 'call for sites', which identifies areas of land for possible development in and around Sandy. A map showing these areas can be found on CBC's website www.centralbedfordshire.gov.uk/planning/policy/local-plan/call-for-sites/sandy.aspx or by visiting the Town Council offices. The Town Council intends to engage with CBC to ensure the opinions and views of Sandy's community are heard and as such would welcome your thoughts on the 'call for sites' results and future development.

Please look out for the leaflet included in your copy of The Bulletin for more information and if you have not received one please contact the council offices.

Please forward your comments to the Council or drop in to our open session on **1st August between 10am and 7pm in the Town Council Chamber** to view the map and speak with Councillors.
